

Ordering Information

Our SKU has multiple parts and start with the ALTECH MODEL NUMBER followed by a dash and then the following items, with a dash in between, like so:

AE - L - HBRS - 150 - 110 - 50K - 1 - P - MS - BL

Some items are standard and will be on every SKU, but some fixtures will have items specific to that fixture (e.g. distribution, lens, and housing types).

Interpreting the SKU: Standard SKU Items

ALTECH Model Number - Determines the product; luminaire (along with its wattage), remote and sensor, etc.
